Upper Arkansas Regional Advisory Committee to Meet in Garden City
February 14, 1:30 p.m. at the Finney Co. Fairgrounds

The Kansas Water Office's (KWO) Upper Arkansas Regional Advisory Committee (RAC) will hold a meeting to discuss current water issues affecting the basin as well as the state.

The meeting will be held Tuesday, February 14, 1:30 p.m., at the Finney County Fairgrounds in Garden City, Kansas. This meeting will be held in conjunction with the Water Talk Series. Producers and stakeholders will hear information important to the coming year that will affect their operations in regards to future water supplies and tools to support reduced water use, such as Limited Irrigation Crop Insurance.

Topics include:

- 2017 Limited Irrigation Crop Insurance coverage offered by USDA – Risk Management Agency (RMA)
- Economic study on impacts of conservation
- Irrigation and Water Technology Farm updates
- Regional groundwater levels

The agenda and meeting materials will be available at www.kwo.org or you may request copies by calling (785) 296-3185 or toll-free at (888) KAN-WATER (526-9283).

If accommodations are needed for a person with disabilities, please notify the Kansas Water Office at 900 SW Jackson Street, Suite 404, Topeka, KS 66611-1249 or call (785) 296-3185 at least five working days prior to the meeting.

Note to Editor: The Americans with Disabilities Act, (42 U.S.C. 12101) requires the Kansas Water Office to print the reasonable accommodations messages.

As the state's water office, KWO conducts water planning, policy coordination and water marketing as well as facilitates public input throughout the state.

The agency prepares the KANSAS WATER PLAN, a plan for water resources development, management and conservation. KWO also reviews all water laws and makes recommendations to the Governor and Legislature for needed legislation.
