

## Smoky Hill-Saline Regional Advisory Committee Priority Goal #2 Action Plan

**Priority Goal #2: Develop a statewide conservation education program/model which is applicable to all public water supplies which quantifies water conservation efforts on customer usage. Develop a youth-based water conservation education program which is tied to school curriculum. Provide producers with tools and resources needed to make informed management decisions which improve water use efficiency. Educate all Planning Region stakeholders on the benefits of water conservation, thus working towards sustainable use of the region's water surface and groundwater resources.**

### **Action Steps**

- ❖ Work with the Statewide Vision Education and Public Outreach Working Group to ensure Smoky Hill-Saline Planning Region stakeholders are educated on the benefits of water conservation, thus working towards sustainable use of the region's water surface and groundwater resources.

### **Responsible and Other Assisting Agencies/Organizations:**

- ❖ Statewide Vision Education and Public Outreach Working Group implementing agencies and organizations.

### **Resources Needed:**

- ❖ Identified by the Education and Public Outreach Working Group to the Blue Ribbon Funding Task Force.

### **Timeframe of Completion:**

- ❖ Throughout Vision implementation period.

### **Geographic Scope:**

- ❖ Statewide with RAC efforts focused within the Smoky Hill-Saline Planning Region.

### **Regulation/Policy Changes:**

- ❖ None.
