

The Governor's Conference on the Future of Water in Kansas

November 14-15, 2016

Manhattan, KS

This exciting conference will highlight the *Kansas Water Vision* and focus on funding and education this year as well as the latest policy and research developments of water issues in Kansas. It will attract hundreds of attendees, including state and Congressional legislators, state and federal officials, organizations and citizens who share an avid interest in our state's water resources. Your commitment as a sponsor will ensure this annual Governor's Water Conference is a success – setting the precedence for future years.
