3. **Mapping Project for Local Reduction by HUC 12 – Katie Burke (KDA-DOC):** presented on the new mapping project that was completed by the DOC and KWO. Katie explained that the interactive mapping tool was developed to show historical load reduction achieved by implemented BMPs. Katie explained that the map shows the WRAPS projects and the load reduction in the past 10 years, along with costs. The hopes for the project will be to have the data updated yearly to see the value of the implemented projects and will eventually be online. It was suggested that cities (point sources) be included in the mapping to show an overall load balance. It was also suggested that mapping layers of roads and waterways be made available on the map as locators.
4. **Drought Tournament Modeling Tool – Cara Hendricks (KWO):** presented on the drought tournament that occurred on December 1, 2016 in Emporia. Cara then went over how the tool is used and how it applies to Neosho Regional Plan implementation. Then it was discussed that a workshop would be held at the Dwight D. Eisenhower Learning Center at Wolf Creek in August for the Neosho, MdC, and Verdigris RACs to go over and use the drought tool as it applies to their regions and regional goals and plans. RAC members will be asked to invite other pertinent participants to the workshop.
5. **Legislative, Funding, and Vision Update – Ginger Harper (KWO):** gave an update on the [Blue Ribbon Task Force \(BRTF\)](#) and how funding was addressed for the [Vision](#), as well as the [Education and Public Outreach Working Group](#). Ginger reported on the legislative visits held in January that many of the KWA and RAC members attended. She also explained the Water and Environment Committee that was created this year to look at water issues in the legislature. She then discussed that the statutory committee to fund the State General Fund (SGF) and the budget that is being put forth this year by the KWO. Ginger then showed where all this information could be found on the KWO website. <http://www.kwo.org/LegislativeNews.html>
6. **Chairmanship and Vice-Chairmanship-** Bobbi Luttjohann (KWO): reported that current chairs of the RACs would be asked by the KWA to continue on for an additional 2 years. In addition, a vice-chair would be named by the KWA to serve out this current year and into the next 2 years.
7. **Possible New Membership – Angela Anderson (Chair & WRAPs):** reported that 2 applicants had sent in applications and 1 other possible candidate will be sending in an application would be reviewed at the May KWA meeting. One of the applicants, Lisa Suderman, was in attendance and introduced herself to the RAC.
8. **Questions and Future Issues from Members:**
Wes Fleming (Industry/Commerce) reported on the bathymetric survey mapping for reservoirs using crowd sourcing. Wes presented information on the program Insight Genesis from BioBase.
9. **Agency and Public Input:**
Katie Tietsort (KDA-DWR): Reported that the consumptive use regulations have been reviewed and will go up for approval. Katie also reported that the penalty regulations are going to be reviewed this week and a public hearing will be held on May 22nd at 10am in Manhattan. Information on these issues can be found at KDA's website: <https://agriculture.ks.gov/divisions-programs/dwr/2016/09/30/public-hearing-scheduled-for-proposed-amendments-to-regulations>
